FOR IMMEDIATE RELEASE:
June 24-26, 2016
Free Event-Open to the Public

On June 24-26, 2016, the Rogue Mounted Archers will hold the 3rd Annual Worldwide Mounted Archery event in Eagle Point, Oregon. The archers are riding hands free as they gallop down the course firing arrow after arrow.

A great spectator sport for all ages, modern mounted archery harkens back to the ancient warriors of Ghengis Khan. Contestants represent various historic styles both in their costume and style of shooting. Pre-trial practices will also be open to the press, 3 days in advance. Men and women compete on the same playing field.

The theme for the RMA Horse Archery Competition this year is "Steam Punk Road Warriors". Watch for great costumes, horse tack and the thrill of the horse and rider galloping free down the tract as the silent arrows fly.

The event is free to the public and parking is available. Some bleacher seating is available, observers may bring their own chairs as well.
